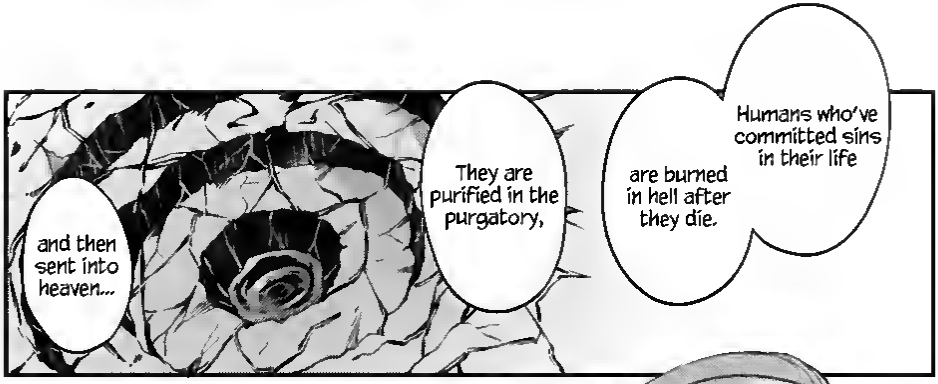
Punishment 2: Silent Sky Part 1

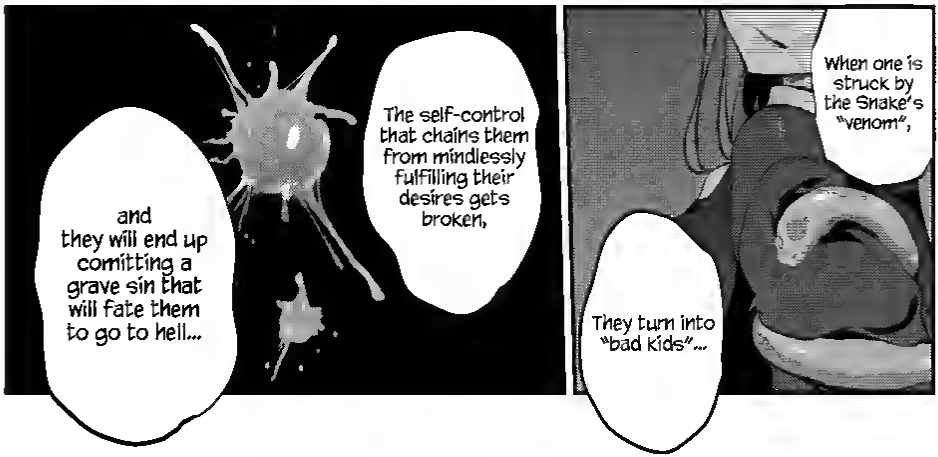
Ee.
EEE EEE EEP --!!
I...
I'm really sorry!
B-But you opened the door without knocking so...
I fell down because I was surprised and...
HOLD UP.
HOW CAN YOU JUST USE MY BATHROOM LIKE YOU OWN THE PLACE?
I am the Messenger of Hell, Beatrice!
For me to stand by the Executor I supervise is a matter of course...
GROWLLLL
SHIMIZU

あー…
I don't have anything else but that. Are you okay with it?
はむはむ
Yes! This is tasty!!
4
You said that you are the messenger of hell...
Kyaa, Ow, the cream...
ぐちゃぐちゃ
By "hell", you mean the world after death, right?
……
You...



Humans who've committed sins in their life
are burned in hell after they die.
They are purified in the purgatory,
and then sent into heaven...

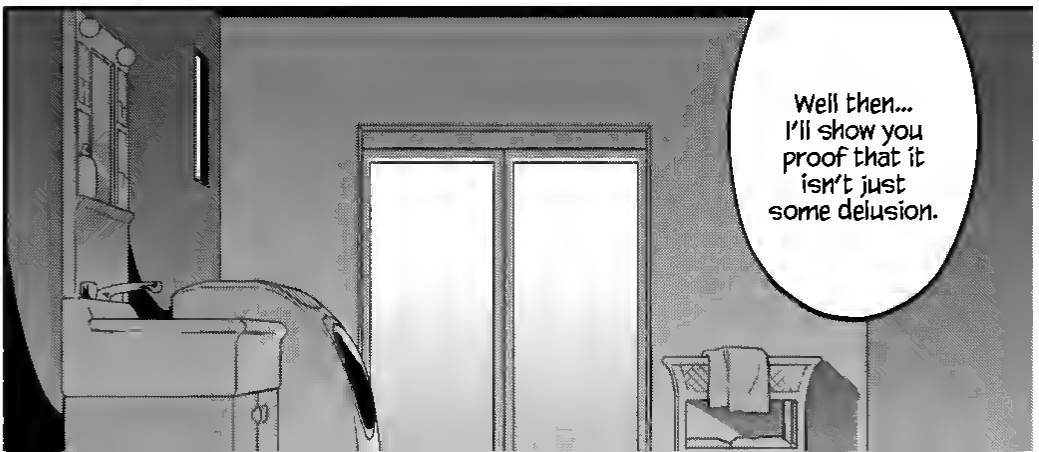
Certain powers ...?
...But,
due to certain powers,
the number of humans bound to go to hell keeps increasing.
IT'S THE SNAKE.



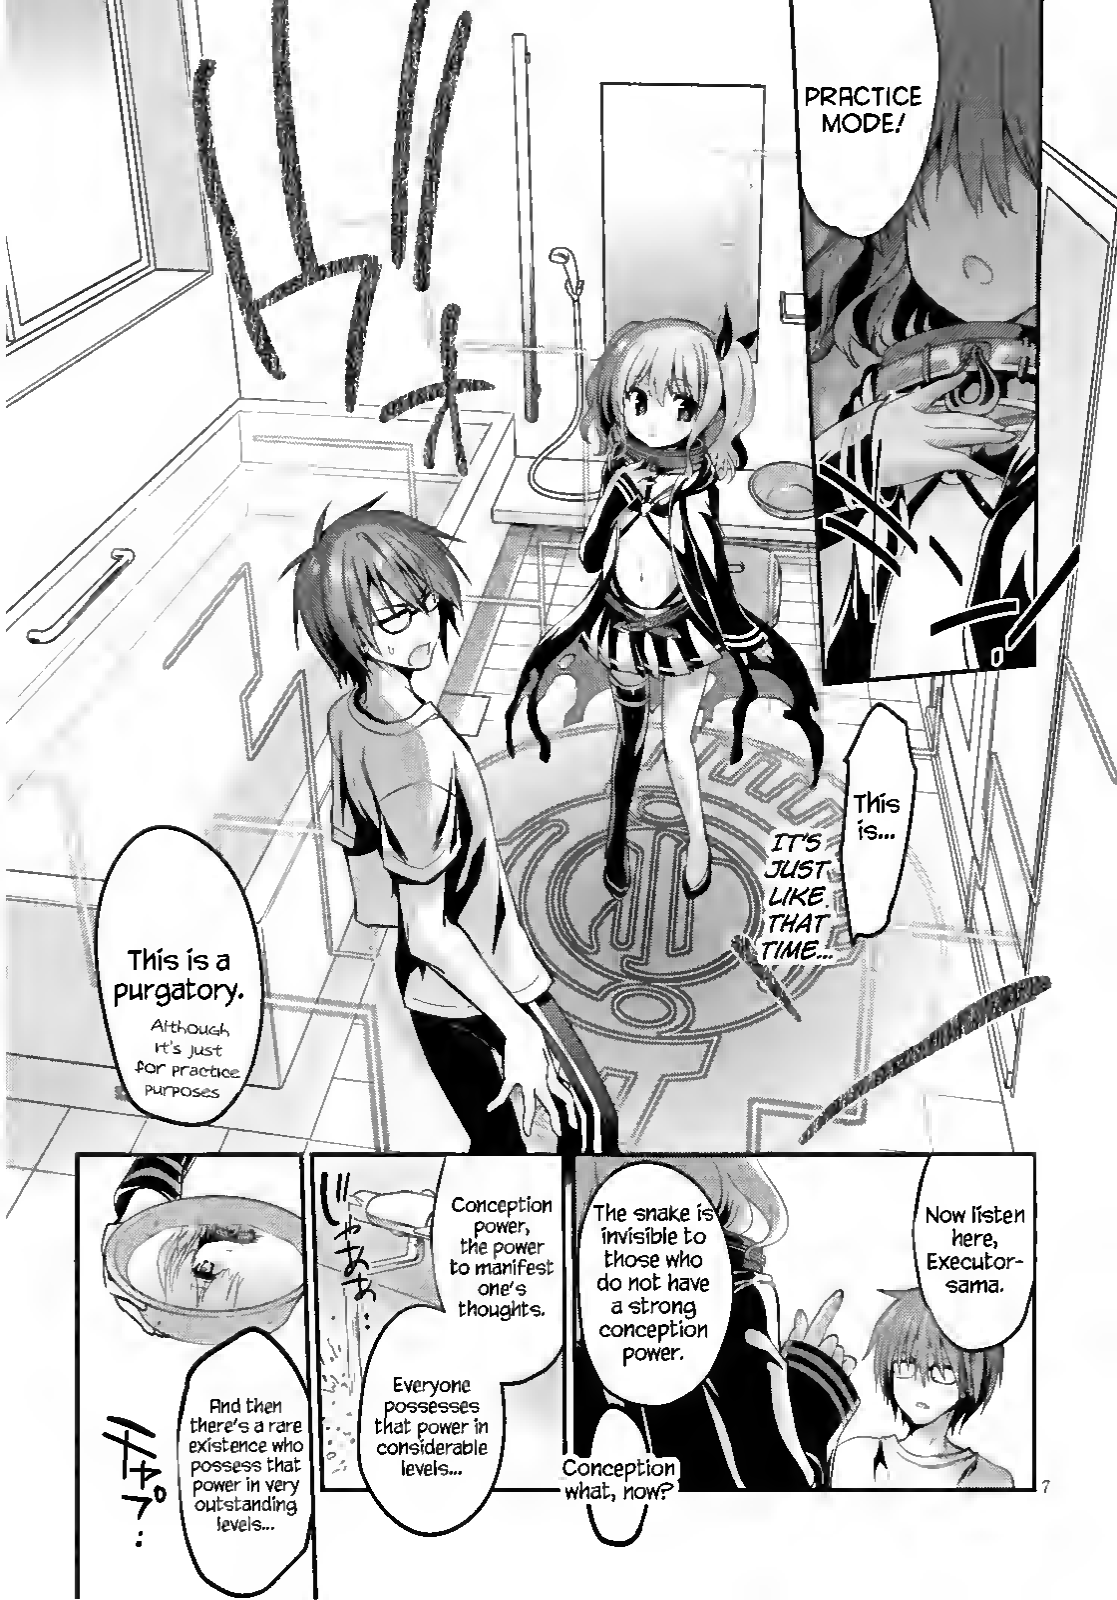
When one is struck by the Snake's "venom",
They turn into "bad kids"...
The self-control that chains them from mindlessly fulfilling their desires gets broken,
and they will end up comitting a grave sin that will fate them to go to hell...

And it's the Executor's job to stop that from happening!

Ugh...
Nah, seems like nobody else could see it...
I guess it's just my delusion after all!
You saw one ...?!
Right... I did see a snake on Aoi...



Well then... I'll show you proof that it isn't just some delusion.



PRACTICE MODE!
This is...
IT'S JUST LIKE THAT TIME...
This is a purgatory.
Although it's just for practice purposes
Now listen here, Executor-sama.
The snake is invisible to those who do not have a strong conception power.
Conception what, now?
Conception power, the power to manifest one's thoughts.
Everyone possesses that power in considerable levels...
And then there's a rare existence who possess that power in very outstanding levels...

Yes, the reason you could do those perverted acts on Aoi-san
is because you have very strong conception power, Kenta-san!

THAT MEANS I...
WISHED TO HAVE MY REVENGE ON AOI FOR THE THINGS SHE ALWAYS DOES TO ME...?
And that's how I wanted my revenge to go...?

You're saying that... THAT STUFF happened because I wanted it to?
Yes, I am.

THAT'S WRONG! YOU'RE JUST MAKING SHIT UP...!
No...!
As proof, you should be able to control this water using your power!
Please try it!
HMPH..., THERE'S NO WAY A POWER LIKE THAT EXISTS...
DAMMIT, IF IT TURNS OUT I ACTUALLY HAVE A SUPER POWER, WHY COULDN'T IT BE SOMETHING COOLER THAN JUST WATERBENDING...
LIKE...

Not yet...?
BRINGS ME BACK TO THIS QUESTION... WHY IS THIS LITTLE GIRL WEARING THAT OUTFIT? IT'S BORDERLINE CRIMINAL...
I... I think it's getting heavier...
IT'S SO EROTIC...
Hyaah?!
It's cold...
WHOA!
THERE IT IS!

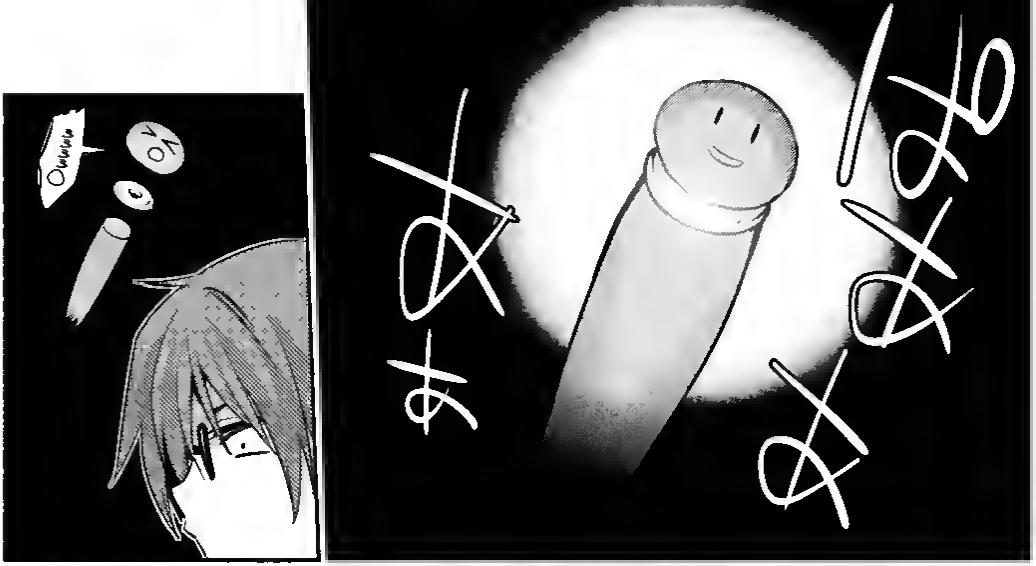
Wh... Why is it...?
!?
Ah!
No...
Ahh!
Eh?
NO...
NOOOOOOO--

Ngg-gaaaahh-hhhh
Although I didn't expect that your conception power is strong only when it's about perverse thoughts...
You don't have to say it
UGH... NGGH...
Do you understand now?
It's High
It's High

HEY...!
Let's do your best to reform the bad kids together!
But that's not an obstacle to your punishments!

It's because...
if you don't do your duties after the pact is made...
I DON'T WANNA DO IT! WHY DO I HAVE TO DO IT IN THE FIRST PLACE?!

Your... p-p...
You'll lose... your penis...
?
Huh? What was that?
?
?
Um... Urmmm....
SHIT, DON'T TELL ME



Owww
Oh

NOOOOO!
Don't show it to me!
WHAT THE HELL IS THIS?! TAKE IT OFF, RIGHT NOW!!

NO WAY...
THIS IS JUST EVIL...
IT'S NOT SOMETHING THAT CAN EASILY BE TAKEN OFF!
THAT IS THE SEAL THAT PROTECTS THE RELATIONSHIP BETWEEN THE EXECUTOR AND THE SUBJECT!

Also...
If you still refuse to do it...
15
Dammit, Shimizu...
You...
You just fucking love getting on my nerves, don't you?
My! Whatever do you mean...?

Ever since you did that weird shit, I can't take this thing off...
THE COLLAR ...!
IT'S STILL ON HER NECK...
That's, uh,
I can't take it off either...
WHAT ?!

WHY THE HELL NOT?!
YOU PUT THIS ON ME, SO YOU GOTTA TAKE IT OFF!
GOT THAT?!
Ah!
Heey!

Yuuya's gonna be in it, right? But the tickets for the VIP seats are sooo expensive, so..
PLAY?

AH... MUST BE A THEATRICAL PLAY WHERE AOI'S MOTHER,
MATSUNOI MIYAKO, STARS IN.

Riku~
Can you, like, give us the tickets for tomorrow's play?

?
Naw~
17
Look, I've already got them prepared even before you asked.
She's real scared of the media, and now does whatever I wish.
Hey, really?
Girl, so glad we're besties, Riku~
Aw, shut up lol.
Well, I'll go speak with Mama.
Thanks~

Yup, thanks to our Ms. Pushover Bank right there.
Who cares? Now we got the tickets.
Pfft, besties my ass.

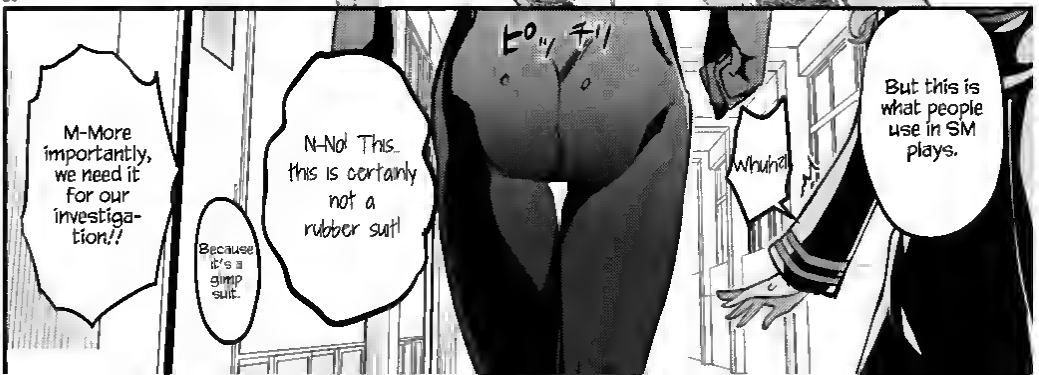
That's why we have to keep her around...
Kyahahaha
.....

What do you mean the collar can't be taken off?

Well, that is just how it is.
The punishment isn't over yet, after all.
WHAA?!
You must hit the subject's GREED,
or "G-SPOTS", and put an end to their desires.
Do that, and it will be your first successful purification.
You can't accomplish that by just doing what you did on your last punishment

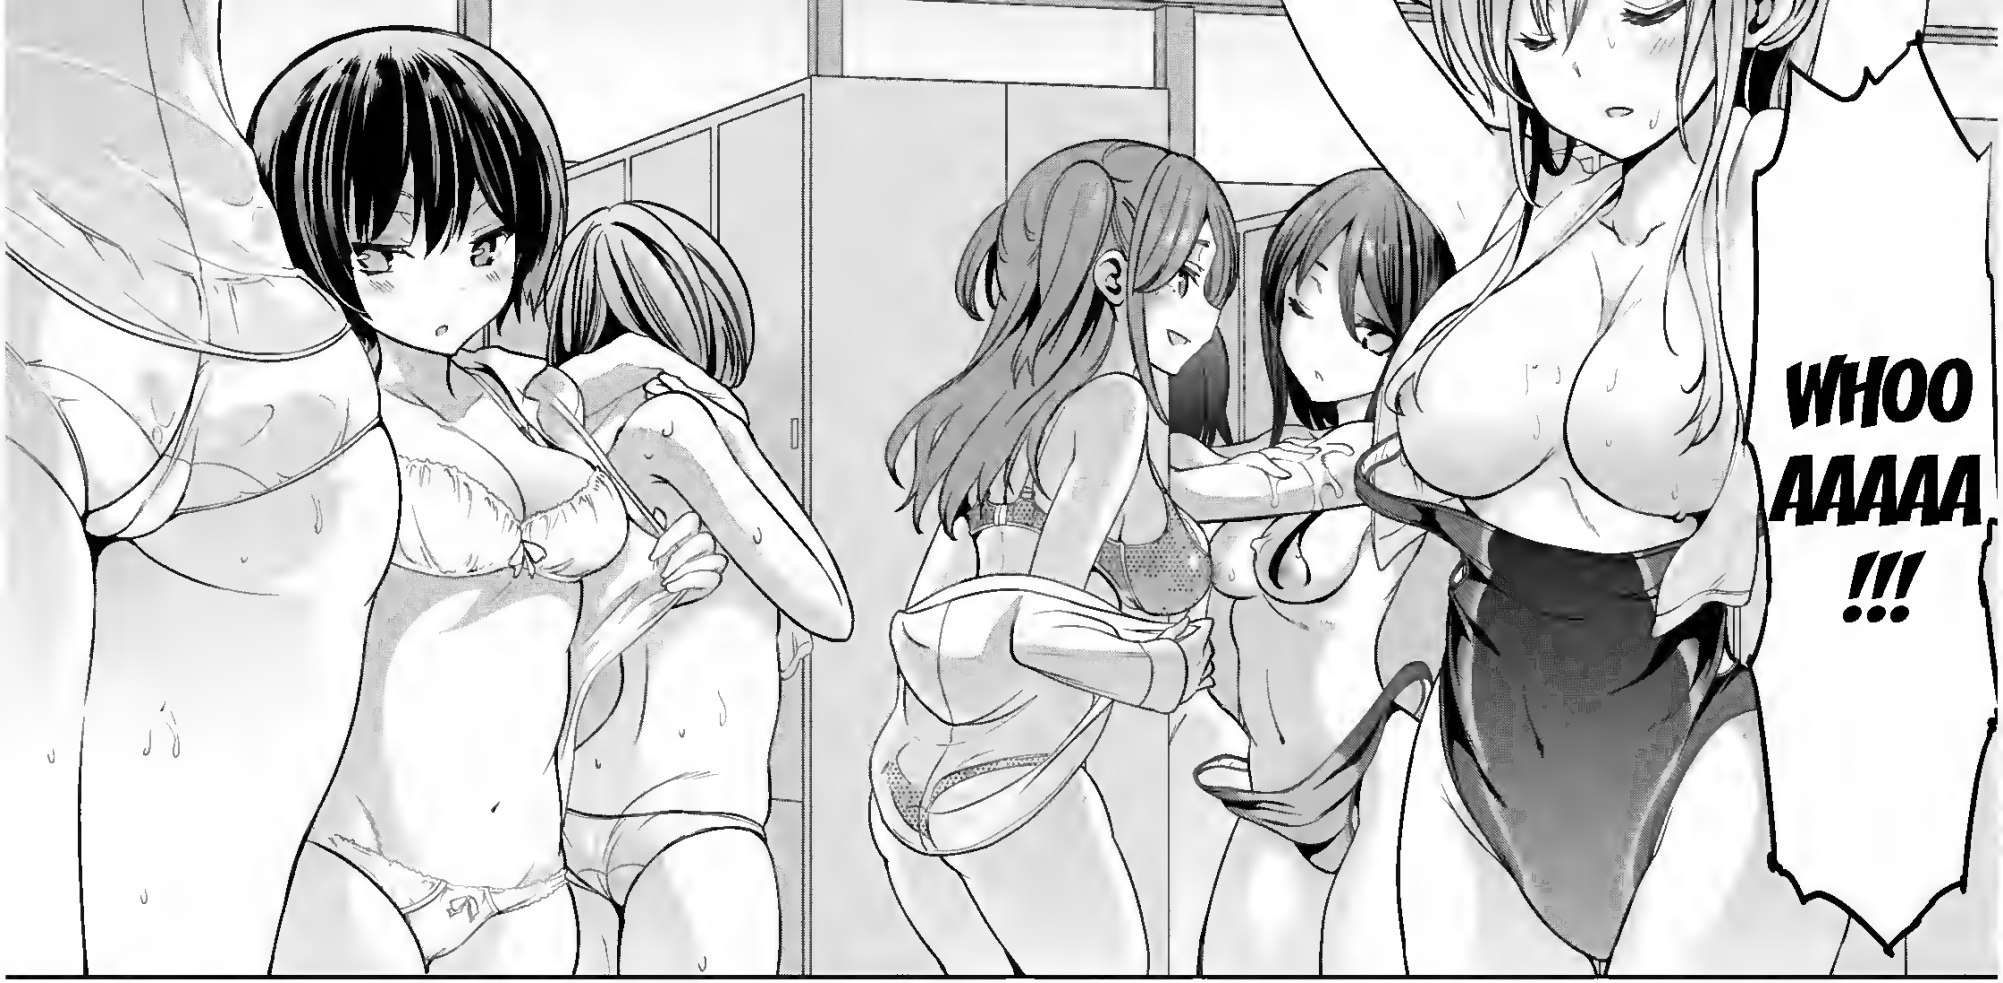
Desires ...?
Yes.
The reason one can get manipulated by the snake's venom is because they feel dissatisfied with something
Even if that's that, I don't know much about Aoi...
BUT I THINK I CAN DRAW SOME LINES FROM WHAT I SAW EARLIER.
Oh, I have an idea!
BHow about you try using this item...!
What ...?

Amazing, I'm wearing something like this, yet nobody gives a damn...
This is called the CLEARVISION SUIT.
The wearer gets to be invisible to the eyes of normal people, like me.



But this is what people use in SM plays.
Whuha?
N-No! This... this is certainly not a rubber suit!
Because it's a gimp suit.
M-More importantly, we need it for our investigation!!

NONON-
ONON-
ONON-
ON!
But...
If you don't
enter...
Here
it is!
Wait,
this is...
It's
overflowing
with the
scent of
desire.
NOW IS
YOUR
CHANCE!
Ack...



WHOO AAAAA !!!

Um... There...
?
Please be careful not to shout out like that!
Damn, that was close...

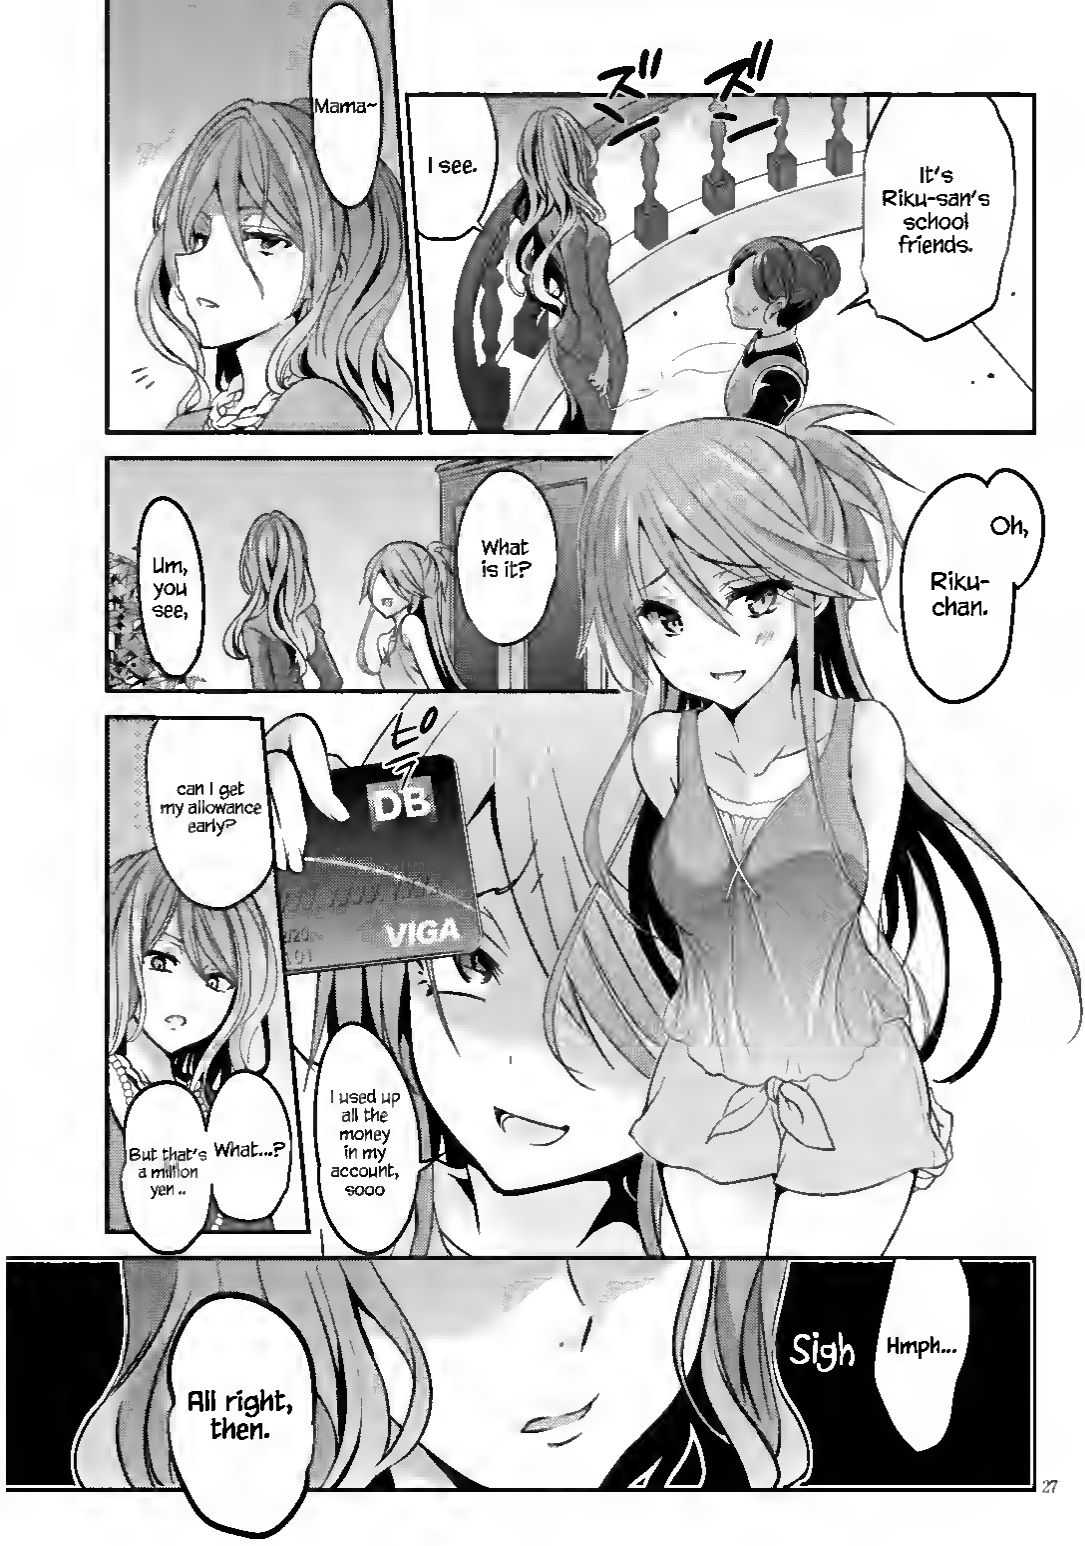
Did you hear a boy's voice just now?
It's just you.
Huh?

It's Aoi-san!
I'm sorry, Aoi-san, can we borrow your sunblock?
Hm? Sure...

Thank you~
Let's leave as soon as you put it on.
We're the last ones around.
Oh, you're inside!

Now's our chance...!
I got it.
A picture?
...?
ピト...

This is...
YAAAY UWAO
Where's the beer, man?
I can't get drunk with just champagne.
What's with all the noise?



Mama~
I see.
It's Riku-san's school friends.
Um, you see,
What is it?
Oh, Riku-chan.
can I get my allowance early?
DB
VIGA
But that's a million yen..
What...?
I used up all the money in my account, sooo
Sigh
Hmph...
All right, then.

Is the car here yet?

I'll have some money transferred to your account.

But next time, go ask Sonozaki-san directly, you hear me?

.....

I guess she has her own problems...
Coocle
Hm...
Aoi's parents are divorced, huh...
SHE'S A SUPER-SADISTIC HALF-DEMON HALF-WOMAN,
AND, I HONESTLY DON'T WANT ANYTHING TO DO WITH HER, BUT...
BUT...

Hey, can I borrow your gimp suit one more time?
It's called the "Clearvision Suit"!

You see...

I'm thinking of executing a "PUNISHMENT".
NEXT TIME, WE'LL BE THE WITNESS TO AOI'S PUNISHMENT THAT WILL HIT HER IN ALL HER G-SPOTS! GOD, THAT SOUNDS VERY WRONG!
The OPERA of the PHANTOM
